None of us is born the same
We don't know why it's the way we came
Every heart beats a little differently
Each soul is free to find its way
Like a river that winds its way to the sea . . .

Mr. Divoll

We wish to thank you for your care and concern not only in our education, but our lives. You're one of the few people who has taken the time to become involved with our hopes and dreams. Therefore, we sincerely wish you the best of everything in the future.

We, the Editors of the 1980 Yearbook, hope to present you with a book reflecting the memorable experiences we have shared throughout our years at A.H.S.

We would like to thank Mr. Byron, Mr. Paster, and all the teachers for their concern and support, and offer a special thank you to Mr. Stanton for his understanding and encouragement.

The theme of our Yearbook, "Where the Roads Come Together," reflects our hope that we all shall meet again and never forget the wonderful years we have spent together. Thus, we leave with tears in our eyes and with hopes that the future of the Senior Class will be as happy as your years at A.H.S.

SENIORS

CLASS

FRESHMAN YEAR

We came from the junior high filled with fear,
With talk of walkouts and scabies last year.
Underclassmen don't rate, but we got our chance,
When we experienced our first A.H.S. dance.
As far as we knew the dance went quite well,
Due to prior activities we couldn't tell!
We elected Kris, Karen, Diane, and Doss,
Under Mr. Murray's last year as boss.
We posed for the pictures for our I.D.'s,
But the cards that were made we never received.
We goofed around in I.P.S.
Was all of high school just like this?
At the first rally we showed we had class
Unlike most years, the wall didn't look crass!
It took so long to receive our class jacket,
When they finally arrived we sure made a racket.
The thrill of belonging, we can all remember-
We'd be Sophomores upon our return in September.

SOPHOMORE YEAR

We made our way up to the second floor,
We finally had status-of that we were sure.
The upperclassmen told us it wasn't what we thought,
One way or another, they made sure we were taught.
The new administration brought about big change-
It marked the beginning of Lord Byron's reign.
We had no idea what he had in store,
Needless to say, Mr. Byron was sure.
We kept our class officers as they had been before,
Kris, Karen, Diane, and Doss were elected once more.
The boys cross-country team didn't do so hot,
Since they won no meets- they sure lost a lot!
The time finally came to purchase our rings,
But weren't what we thought when they came in the spring!
Most of us went to the "Taming of the Shrew"
With skip days outlawed, it was the best we could do!
And thanks to the Blizzard of '78
Sophomore year ended seven days late.

HISTORY

JUNIOR YEAR

We finally made it to the top floor,
We were really up there-underclassmen no more.
Kris and Karen were in for year number three,
Our other two officers were Bill and Kathy.
The band won in Virginia- girls track, the South Shore,
With both winning records and trophies galore.
The girl's basketball team shattered the streak,
And their outstanding season proved it no freak.
We traveled to Christo's for the Junior Prom,
It was great-even rain couldn't make things go wrong.
The "Long and Winding Road" we chose as the theme,
Our court was picked with Pam as queen.
After breakfast at Amy's, it was off to the beach,
With blankets and munchies and drinks within reach.
We all looked forward to the summer ahead,
'Cause when we returned we'd be Seniors instead.

SENIOR YEAR

These A.H.S. years have flown by too fast,
Graduation will soon be a thing of the past.
Our Thanksgiving Day game was a special treat,
As the Panthers went down to a crushing defeat.
Biz was elected with Kieran, Kathy and Rich,
Then the S.A.T.'s in December were a real toughie!
All in all the year's been good so far,
A worthwhile event was the Christmas Bazaar.
To raise some more money we ran Operation Carnation,
Like never before, Valentine's Day created a sensation.
For the first time we'll be conducting Class Night,
With the talent we have- it should be a sight!
The Reception is planned for the end of May,
Followed closely by Graduation Day.
It will soon come to a close, our Senior year,
And each of us will continue to seek a career.
With tears in our eyes we will leave one another,
But we know we'll meet again "when the roads come together."

SOCCER

This year's soccer team led by senior captains Kieran Crowley, John Dodge & Mark Angeley received a 5th place finish. Other hard-working seniors were Joe Cody, Brian Murray & Richard Porter. Keith MacPherson, a very skilled halfback, & Clint Cooper, high-scorer for the past 3 years, also added experience to the young squad.

GIRLS' SOCCER

The first Girl's Soccer Team was established at Abington High School this year. The enthusiasm of the team and their spirit and competitiveness insures them of success in the future. We wish them the best of luck in the coming seasons.

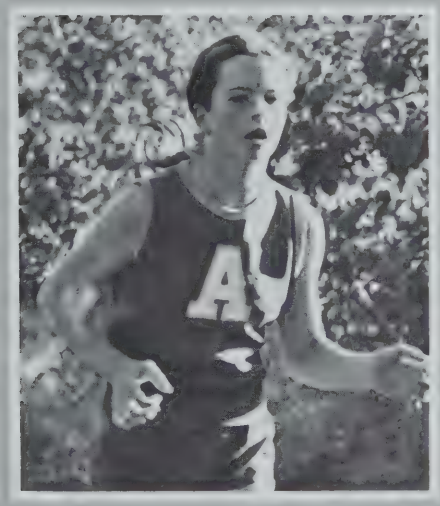

CROSS COUNTRY

Captains Kathy Donadini, Tricia McKenna, & Rich Fay led the Cross Country teams to a 5-3 record for the boys & an 8-0 record for the girls. The Girls Team promises to be another championship team this year. Under Tri-captains Kathy Donadini, Marie Donlan, and Andrea Hill, the team hopes to dominate the South Shore League.

BOY'S TRACK

The Boys Team's season last year was an unsuccessful one, yet this year's team promises to produce a better season under Co-captains Mark Anderson and Ron Hammarstrom, with the help of coach Jim Hoar.

BASEBALL

This year's Baseball Team is one of great depth provided by seniors Rich Wayne, Joe McSharry, Dana Johnson, Brian Murray, Bob Clifford, Tom Haggerty, Keith MacPherson, Mark Sebastyn, and Mark Jernstedt. Key pitching and strong team effort should be the ingredients for a winning season.

SOFTBALL

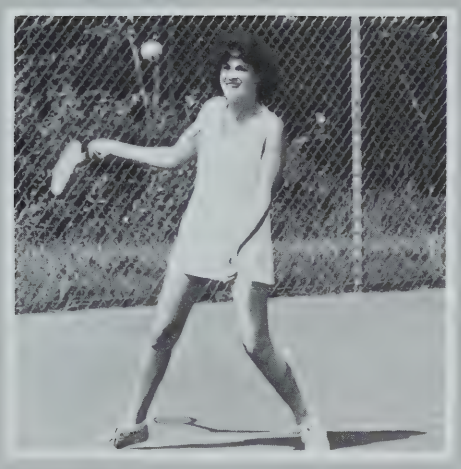

The Girls Softball Team looks forward to another winning season. Seniors Robin Poirier and Laurie Wager hope to lead the team to another South Shore League Championship.

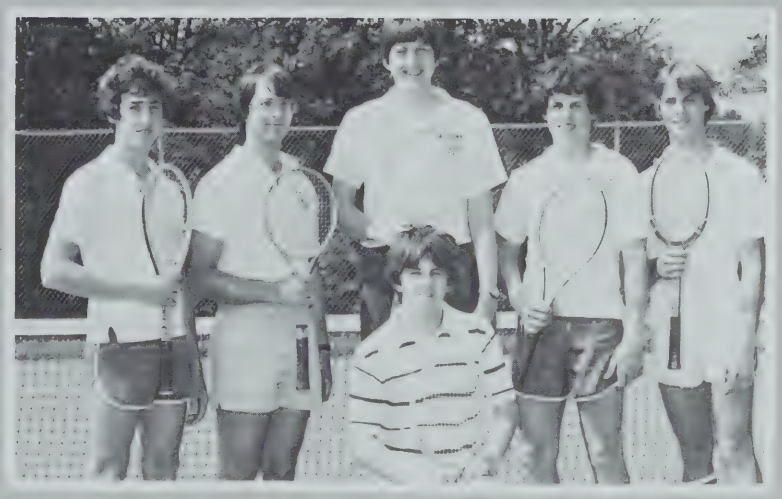

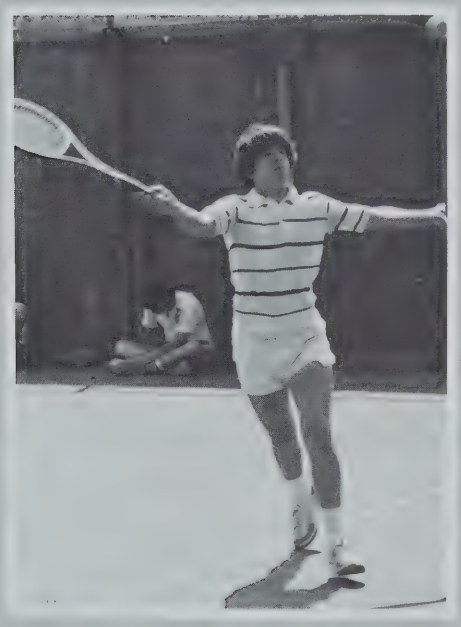

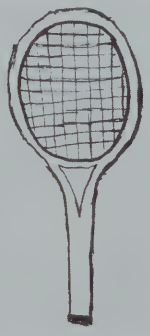

TENNIS

Over the past four years the Girl's and Boy's Tennis Teams have improved tremendously. The Boy's Team is led by seniors Brian Melanson, Bob Dunham, and Rob Gregory. For life is a journey and there are many roads
beneath the sky,
And there are many good people who don't see
eye to eye.
Not every man can sing your tune
From where he stands there's another view
With every turn we're learning more
Perhaps we'll find that the walls we build
are only in the mind . . .

. . . There are many roads to go
And they go by many names
They don't all go the same way but they get there
all the same
And I have a feeling that we'll meet someday
Where the Roads Come Together Up the Way.
